Internship and Work Experience

Internship

06 Feb. 2023 – 28 Feb. 2023

Dhaka University Library, Dhaka, Bangladesh.

- Main objectives and learning: I developed practical skills in academic library management, including cataloging, classification, and digital library services. I observed how the library supports students and researchers through its vast collection, reference services, and automated systems. I also learned about user service policies, library automation tools, and digital resource management, enhancing my understanding of modern library operations.

Internship

09 Mar. 2022 – 31 Mar. 2022

Bangladesh National Scientific Technical Documentation Center, Dhaka, Bangladesh.

- Main objectives and learning: I gained hands-on experience in providing research support services to scholars and scientists. I learned about bibliographic databases, digital repositories, and how BANSDOC facilitates access to scientific and technical information through document delivery and reference services.
