Honors and Awards

- Merit-based Scholarships for Academic Excellence (5th Semester of Undergraduate and 2nd Semester of Graduate studies); awarded by NSTU (Semester examination fee waiver for the top three students in each semester) — 2021, 2024.
- Noakhali Municipal Mayor Primary Scholarship, 2008.
- Bangladesh Employee Welfare Board Scholarships for the children of government employees for academic excellence, 2018–2024.

Internship and Work Experience

Internship   **06 Feb. 2023 – 28 Feb. 2023**

Dhaka University Library, Dhaka, Bangladesh

- *Main objectives and learning:* I developed practical skills in academic library management, including cataloging, classification, and digital library services. I observed how the library supports students and researchers through its vast collection, reference services, and automated systems. I also learned about user service policies, library automation tools, and digital resource management, enhancing my understanding of modern library operations.

Internship   **09 Mar. 2022 – 31 Mar. 2022**

Bangladesh National Scientific and Technical Documentation Center (BANSDOC), Dhaka, Bangladesh

- *Main objectives and learning:* I gained hands-on experience in providing research support services to scholars and scientists. I learned about bibliographic databases, digital repositories, and how BANSDOC facilitates access to scientific and technical information through document delivery and reference services.

Member   **Mar. 2025 – Present**

Association for Information Science and Technology (ASIS&T)
